Correction to: Ambulance deceleration causes increased intra cranial pressure in supine position: a prospective observational proof of principle study

Iscander M. Maissan^{1*}, Boris Vlottes¹, Sanne Hoeks¹, Jan Bosch², Robert Jan Stolker¹ and Dennis den Hartog³

Correction to: Scand J Trauma Resusc Emerg Med
29, 87 (2021)

<https://doi.org/10.1186/s13049-021-00904-3>

Following the publication of the original article [1], the authors informed as of an error in the title. The word “prove” of the original title has been changed to “proof”.

The article title now reads: “Ambulance deceleration causes increased intra cranial pressure in supine position: a prospective observational proof of principle study”.

The correct title is shown in this Correction, as well as the original article which has already been updated online.
